

Online Undergraduate Program for
**Early Childcare
Education & Programming**

Bachelor of Science (120 credits)

Students must complete 30 credits prior to full admission

The Early Childcare Education & Programming (ECP) degree offers completely online coursework, allowing students to complete coursework when it's convenient for them.

The curriculum prepares students to support children in a variety of early childhood education programs, including childcare centers, preschool programs, Head Start programs, before- and after-school programs, and childcare administration. This degree does not lead to teacher licensure.

Program highlights:

- All courses completely online
- Year-round admission
- \$415 per credit (includes fees)
- Requires three practicum placements
- Transfer friendly

ECP students are...

- Working professionals
- Advancement seekers
- Career changers
- Enrolled part- or full-time
